Hoping to do a one way poker run ride for the finale this year starting at Spoke Life Tiffin and ending at Spoke Life Sylvania.

- Two playing cards can be retrieved from each location, best 5 card hand wins.
- (this will allow for shorter routes to still gain a decent hand
- Custom t-shirts in the works for anyone who completes the 5 store journey.
- Plan to drop your vehicle and bike at the Sylvania location prior to the finale ride and your bike will be transported to Tiffin for you. Saturday morning the day of the ride we will leave the Sylvania Location around 9:00AM and shoot for a 10:30 departure from TIFFIN
- If not planning to do the entire 5 stores please arrange for your own transport to and from your desired starting location.
